Your household has been invited to participate in the National Household Travel Survey. This survey is unique because it is specific to the Black Hawk County metropolitan area. The results of this survey will directly affect our area's transportation system by assisting with local traffic forecasting and long-term transportation planning.

I strongly encourage your household to participate in this survey. The last time a survey of this magnitude was conducted in Black Hawk County was in 1969. I'm sure you would agree that a few things have changed since then.

Please follow the instructions in the attached materials to indicate your interest in participating in this survey. If you have any questions, feel free to contact our office at 319-235-0311. You can ask to speak with myself or one of our transportation planners, Kyle Durant or Codie Leseman. INRCOG has proudly served the cities of Waterloo, Cedar Falls, Hudson, Evansdale, Elk Run Heights, Raymond, and Gilbertville with their transportation needs for many years, and we look forward to many more. Thank you for considering participating in this effort.

Sincerely,

Kevin Blanshan  
Executive Director
