Frequently Asked Questions

Should I take the travel log with me during my travel day?

Yes. Keep your travel log with you so that you can write down each place you go and exactly what time you arrive and leave. Then, use the log to help finish the survey online or by phone.

I just took a walk around my neighborhood. Do I need to include that?

Yes. Even if you end up back at the same place you started, it still counts. If you go for a walk in your neighborhood, record it as a trip from home to home.

I use public transit. Do I need to write down every bus stop or train station?

No. Just tell us where you went. We don't need to know each station, bus stop, or transfer point along the way. Simply list all the ways you got to that place (e.g., walk, bus, and train).

Do I need to count all the passengers on the bus?

No. We are only interested in how many people traveled with you. If you and a friend took a bus together, just tell us that one person went with you.

Do I need to mail you my log after the travel day is over?

No. We will ask you to refer to the travel log when you are completing the follow-up survey online or by phone, but the log itself is yours to keep.
